

Final Exam Information

- The final exam is schedule for Tuesday, 12 May 2015, from 12:00-1:50pm.
- The exam is cumulative, with questions covering a selection of material up to and including the lecture on Tuesday, 21 April 2015, and all homework and project assignments for the semester.
- This exam is closed book and no calculating devices of any type will be allowed. You may prepare, in advance, *two pages of notes* (that is, either one double-sided page, or two single-sided pages) which you may bring to the exam for reference.
