

Midterm 1 Information

- The first midterm will be on Friday, 3 October 2008, from 10:00–10:50 a.m.
- This exam is closed book and no calculating devices of any type will be allowed. You are allowed, however, to prepare in advance *the back of this page* with whatever notes you wish to place on it, and you may use this page during the exam. When the exam is over, submit this sheet with the rest of your exam.
- The exam will cover all lectures, readings, and assignments up to and including the lecture on Friday, 26 September 2008. (please see the class schedule for exact coverage)
- Typical topics for examination might include our general transition to the C++ language, writing small code fragments, or simulating code either by demonstrating produced output or diagramming the internal state.
