

Midterm 2 Information

- The second midterm will be on Tuesday, 1 April 2014, from 10:00–10:50 am (no fooling).
- The exam will primarily cover lectures from Monday, 17 February 2014 through Monday, 24 March 2014, as well as the associated readings and assignments for those topics (please see the class schedule for exact coverage).
- As an example, we will distribute a hard copy of the second midterm from a past semester, and the solutions to that exam.
- This exam is closed book and no calculating devices of any type will be allowed. You are allowed, however, to prepare in advance *one side of one sheet of paper* with whatever notes you wish to place on it, and you may use that page during the exam. When the exam is over, submit your sheet with the rest of your exam.
