

Final Exam Information

- The final exam will be on Monday, 17 December 2018, from 12:00–1:50pm.
- The exam will be cumulative, though with a slightly greater emphasis on those topics that were not yet part of the previous two exams (e.g., user-defined classes, inheritance, sets/dictionaries, recursion)
- The exam is entirely pen-and-paper based. You may not use the computers nor any other calculating devices.
- The exam is closed book, however you may prepare in advance another sheet of paper with whatever notes you wish to place on it, front and back. You may use those notes during the exam. When the exam is over, submit this sheet with the rest of your exam.
