

## Midterm 1 Information

- The first midterm will be on Thursday, 21 Feb 2008, from 12:45–2:00 p.m.
- The exam will cover all lectures, readings, and assignments up to and including the lecture on Tuesday, 12 Feb 2008 (please see the class schedule for exact coverage).
- This exam is entirely pen-and-paper based. You may not use the computers nor any other calculating devices.
- This exam is closed book. However, you may prepare in advance *the back of this page* with whatever notes you wish to place on it, and you may use this page during the exam. When the exam is over, turn in your notes with the rest of your exam.
- As a sample, we will provide you with the first midterm which was used in a past offering of this course, as well as with the solutions to that exam. Keep in mind that the exact coverage of topics varies from semester to semester, so this sample is meant mostly as an example of the *style* of the questions, as opposed to the precise content of the questions.
