

Midterm 1 Information

- The first midterm will be on Friday, 5 Mar 2010, from 9:00–9:50 a.m.
- The exam will cover all lectures, readings, and assignments up to and including the lecture on Friday, 26 Feb 2010. (please see the class schedule for exact coverage)
- This exam is entirely pen-and-paper based. You may not use the computers nor any other calculating devices.
- The exam is closed book, however you may prepare in advance *the back of this page* with whatever notes you wish to place on it, and you may use this page during the exam. When the exam is over, turn in this sheet with the rest of your exam.
- Questions will cover general modeling and knowledge of Python's object classes, and knowledge of Python syntax. Typical questions will require the identification of errors in existing code, hand-simulation of existing code, and the creation of small code fragments to accomplish a given task.
