Title of Project: _____

Supervisor: _____

Student(s): _____

Brief Description of Project:

List of Specific Tasks to be completed:

Required Items: Grading will be based entirely on the following items with deadlines specified in the course syllabus:

- o A written design document
- o An oral project progress report/mid-term presentation
- o A review of a preliminary version of the project by the supervisor and instructor
- o A review of the final version of the project by the supervisor and instructor
- o An oral final presentation to the Computer Science faculty and students
- o Weekly progress reports given to instructor and supervisor.

Agreement: By signing below, I agree that:

- o   The course is for exactly 3 credits, and will not be amended to any more or fewer credits at any point in time.
- o   A final grade of "Incomplete" is not allowed for this course. Only one of the grades A, A-, B+, B, B-, C+, C, C-, D, or F will be given as a final grade.
- o   The requirements for the course are to be fulfilled according to the calendar set forth by the Computer Science faculty.
- o   *All* code will be submitted to the project supervisor and course instructor at the end of the semester during the pre-final presentation.
- o   *All* of the instructor's decisions regarding grading are final.
- o   Failure to meet any of the course requirements will result in a course grade of F.
- o   If working as a team or group, it is possible that different group members may receive different grades for the course.
- o   Changing projects or groups will not be permitted.
