

Midterm 1 Information

- The first midterm will be on Friday, 18 Feb 2005, from 12:00–12:50 p.m.
- This exam is closed book and no calculating devices of any type will be allowed. You are allowed, however, to prepare in advance the back of this page with whatever notes you wish to place on it, and you may use this page during the exam. When the exam is over, staple this sheet to the rest of your exam.
- The exam will cover all lectures, readings, labs and assignments up to and including the lecture on Friday, 11 Feb 2005. (please see the class schedule for exact coverage)
- Typical questions will include identifying errors in a given code fragment, simulating a given code fragment, or writing small code fragments.
